## Queen's Jubilee

To mark the Queen's Jubilee, we have been reminding the children about Queen Elizabeth's incredible journey from the little girl who never expected to be Queen to this year's celebrations. 70 years as Queen makes her the longest reigning monarch in British history.

This Friday we have an inflatable obstacle course and bouncy castle in school. Children will access this through the day (please ensure children come in to school in their PE kit on Friday). We also have some specially commissioned Jubilee cakes for children to enjoy. We will ensure that we have an alternative for children with known allergies.

## A reminder about this Friday STAY and PLAY

After school this Friday 27th May from 3.30 to 5.00pm please come and enjoy our lovely field and make the most of the inflatables. The PTFA and the governors will
