We will be learning how to greet and converse with each other in French.

We will be learning how to order at the café, as well as simple language of objects in a classroom.

How you can help your child:

Reading: Please encourage your child to read every day. Any reading to support their topic learning or literacy units will give them a boost in our day to day classroom discussions; the local library is a great place to start hunting down books for this.

Writing: The children have many wide and varied opportunities to write in school. Please encourage your child to write for a range of purposes at home – this could be a letter, email, story, poem, information on a subject that interests them.

Spelling: In school we teach the rules, strategies and conventions of spelling. Please encourage your child to apply the knowledge they have.

Maths: Your child's enjoyment and understanding of maths is greatly helped if they know:

• The multiplication facts to 12 x 12, and the associated division facts.

PE Kit:	Homework:
The children will need to have their PE kits in school at the beginning of the week and ideally take them home at the weekend. Games for the first half of term will be on Wednesday after break and Thursday afternoon.	We hope the children will practise their times tables and real life mental maths regularly. Maths Homework will be set on Fridays and due back on Wednesdays.
weathesday after break and mursuay afternoon.	back off wednesdays.
Kit should include a pair of shorts, a t-shirt, and plimsolls/trainers. If your child has pierced ears, please ensure that their earrings are removed or taped on these days.	English Homework will be linked to their class learning and will be set on Wednesdays and due back on Mondays.
(Please refer to the Uniform policy for more guidance)	

The children have homework diary and that can be used for communication between home and school so please feel free to jot any queries down and encourage your child to be responsible for having this book in school every day.

If you have any questions, please do not hesitate to contact me.

Many thanks,

Miss Tidball
