

Head Teacher: Mrs Angela Herrera MA(Ed), BEd(Hons), NPQH

Friday 17th June 2016

Dear Parents and Carers

What a fantastic couple of weeks we have had; what with sports events, music performances and a win for Eagles Class in the Devon Sumdog Maths Competition! Well done to all that have taken part in any of these recent events and thank you to parents, volunteers and staff for all their support.

Don't forget it is Arts Week next week where we will be focussing on 'Our Wonderful World'. So get ready to be creative and remember to bring in any bottle tops and spare bits of fabric. As the weather heats up, please make sure your child has their drinks bottle with them each day and that sunscreen is applied as appropriate. There are various opportunities for parents to come and see what the children have been engaged in next week; please see dates list below.

Communication

We endeavor to send all letters electronically to increase reliability, speed and our environmental footprint. If you do not have access to email or a printer we will be happy to print any school letters you require. There is a new tab on our website which has a copy of any letters sent home.

We are looking to introduce a text service which will enable us to send reminders and any unforeseen cancellations due to weather etc. Next week you will receive a data collection sheet which details all the contact information we have for you including the preferred mobile number. Please check this, amend as necessary and return to us.

If you would like a paper copy of the newsletter, copies will be available to pick up from the school office.

Meal Time Assistant required

We are looking for 2 Meal Time Assistants to start as soon as possible. 8.75 hours per week @ £7.20 per hour. Please see the school office for an application form.

Uniform

Summer dresses, Sunhats and water bottles are available from the school office
Please note the next deadline for ordering school uniform via school trends is June 20th.
