

Maths Task 2

Measure and draw lines these lengths.

You could draw them all in different colours, or with chalk outside or with paint.

10cm	12cm	3cm
10cm 7mm	17cm 4mm	13cm 8mm
23.6cm	14.9mm	16.5mm
134mm	128mm	268mm

Think about the length 30cm.

Can you draw 3 different lines that total 30cm?

Can you draw 4 different lines that total 30cm?

Can you draw 6 different lines that total 30cm?
